to facilitate action by the authorized officer and the Small Business Administration on the loan application.

[35 FR 9785, June 13, 1970]

§ 5441.1-3 SBA set-aside sales.

Only bids of small business concerns which have filed a self-certification statement as required by § 5441.1 may be considered for sales subject to set-asides. When no such bids are received, the timber may be sold under § 5443.1 in the same manner as timber not previously made subject to a set-aside. When timber subject to a set-aside is not sold for any other reason, the sale may be rescheduled for a set-aside sale.

Subpart 5442—Bidding Procedure

§ 5442.1 Bidding.

(a) Bidding at competitive sales shall be conducted by the submission of sealed bids, written bids, oral bids, or a combination of bidding methods as directed by the authorized officer.

(b) In sealed bid sales, the bidder submitting the highest sealed bid shall be declared the high bidder. In the event of a tie in high sealed bids, the high bidder shall be determined by lot from among those who submitted the tie bids.

(c) In oral auction sales, submission of the required minimum bid deposit and a written bid at not less than the advertised appraised price shall be required to participate in oral bidding. The officer conducting the sale shall declare a specific period, prior to oral bidding on each tract, during which bid deposits and written bids may be submitted. Bid deposits and written bids also may be submitted any time prior to the specific period declared by the officer conducting the sale. Oral bidding to determine the high bidder shall begin from the highest written bid after closure of the submittal period. In the event there is a tie in high written bids, and no oral bidding occurs, the bidder who was the first to submit his bid deposit and written bid shall be declared the high bidder. If the officer conducting the sale cannot determine who made the first submission of high tie written bids, the high bidder shall

be determined by lot. The declared high bidder must confirm his oral bid in writing immediately after the sale, but failure to do so shall not relieve him of his purchase obligation.

§ 5442.2 Resale of timber from uncompleted contract.

(a) This section applies to the sale of timber only when 50 percent or more of the timber included in the sale is timber remaining from an uncompleted contract. A bid from a purchaser who held the uncompleted contract, or an affiliate of such purchaser, will be considered only if:

(1) The contract was not canceled because of breach by the purchaser, and

(2) The purchaser has made full payment of the total purchase price and any related charges by the expiration date.

(b) The purchaser who held the uncompleted contract, or affiliate of such purchaser, shall, upon execution of the resale contract, agree that the Bureau of Land Management shall retain the original payment for timber not removed under the uncompleted contract, less the cost of resale, as a credit toward the purchase price of the resale contract.

§ 5442.3 Rejection of bids; waiver of minor deficiencies.

When the authorized officer determines it to be in the interest of the Government to do so, he may reject any or all bids and may waive minor deficiencies in the bids or the timber sale advertisement.

Subpart 5443—90-Day Sales

§ 5443.1 General.

If no bid is received within the time specified in the advertisement of sale, and if the authorized officer determines that there has been no significant rise in the market value, he may in his discretion, keep the sale open for not to exceed 90 days by posting notice thereof in a conspicuous place in the office where bids are to be submitted. If

during such period a written bid is submitted, together with the required deposit, for not less than the advertised appraised value, a notice of such bid shall be posted immediately after receipt of such bid for seven successive days in the same office and in the same manner. If no other written bid is received during the seven day posting period, the sole bidder shall be deemed the high bidder. If, however, during such seven day posting period other written bids are received, an oral auction shall be conducted in the usual manner for those who have submitted written bids. The authorized officer shall notify those who have submitted written bids of the time and place of the oral auction. The written bids shall be considered the initial bids in such oral auction. If there is a tie in the high written bids that are submitted during the seven day posting period and if no higher bid is offered during the oral auction, the party who first submitted the high bid shall be deemed the high bidder.

Subpart 5450—Award of Contract; General

§ 5450.1 Pre-award qualifications of high bidder.

(a) The authorized officer may require the high bidder to furnish such information as is necessary to determine the ability of the bidder to perform the obligations of the contract. The contract shall be awarded to the high bidder, unless he is not qualified or responsible, or unless all bids are rejected. If the high bidder is not qualified or responsible or fails to sign and return the contract together with the required performance bond and any required payment; the contract may be offered and awarded for the amount of the high bid to the highest of the bidders who is qualified, responsible, and willing to accept the contract.

(b) A purchaser who has defaulted on a timber sale contract under this title by failing to complete payment of its total purchase price by the expiration date of the contract is considered a risk for purposes of being awarded future timber sale contracts. If a purchaser deemed a risk is the high bidder on a new timber sale, the authorized officer shall send a notice by registered mail requiring such purchaser to establish bidder responsibility by paying or bonding, or a combination of payment and bonding, for any one of the following: The total unpaid balance of the purchase price of all defaulted sales, the unsettled damages on all defaults, or 50 percent of the purchase price of contracts bid after the most recent default. Any payment applied toward 50 percent of a contract's bid price after the default(s) will be held as final payment for timber cut and/or removed under terms of the contracts. Acceptable bonding options are listed at § 5451.1 of this title. Payment and bonding are due within time limits stated in § 5450.1(c). Should the purchaser fail to demonstrate responsibility within 30 days of receipt of the notice, the authorized officer shall offer the contract for the amount of the high bid to the highest of the bidders who is qualified, responsible, and willing to accept the contract. Failure to demonstrate responsibility within 30 days of receipt of the notice indicates that the purchaser
